**Subject:** USS Lead - HUD Vouchers - Timing

Dear Nick and Jewell:

Can you shed any light on when ECHA expects to receive funds from HUD and then when ECHA might issue its first vouchers for permanent relocation? Also, I would appreciate a copy of the Board's resolution passed early this week in connection with the Demo / Dispo application.

We are scheduled to talk tomorrow, August 11, 2016, at 3:30 p.m. CT. Would either of you be able to join the call and give us an update? Please advise.

Sincerely,

Steven P. Kaiser
